A very warm welcome to the 2012 school year. We would like to welcome our new possums to Beechmont School and we really hope you get to experience that magical thing called “The Beechmont Experience”. The ‘Beechmont Experience’ is a wonderful thing that makes attending Beechmont School something special. I saw the results of the ‘Beechmont Experience’ at Brian Kennedy’s wake in the Hall on Graceleigh during the holidays. During the wake, I noticed a rather large group of people in the centre of the Hall. As I looked more closely, I realised that the group was made up entirely of past pupils, but past pupils from all different year levels. I stood back and watched and all of these now High Schoolers and past High Schoolers were all engaged in the same conversation, bonded by the simple fact they were past pupils. It is a sight I will never forget and a sight that really summed up ‘The Beechmont Experience’ that transcends ages and brings people together.

So welcome to our School and welcome back to our School, 2012 will be an exciting year judging by the learning and other activities we have planned. Hang on, because this will be a real roller coaster ride for us all.

A very warm welcome to Austin Knowles, Daisy-Bee Bowler, Tilly Miller, Blake Gaardsted, Caitlin Hoey, Mikah Browning, Rylan Christiansen, Sydney Newton, Kobi Marshall, Andrew McKellar, Jack Anderson, Joel Mills, Jhett Wadsworth, Becky Bennett, West Francis, Sammy Bennett, Tane Tari, Jasmine Lang, Eliana Tari, Taija Le Faucheur and Zac Le Faucheur.

We hope you really gain from your time at Beechmont.

The levies also cover internet access, printing and art supplies throughout the year. Your prompt payment of these levies really assists us (especially Douglas) to finalise a range of functions that we need to do for audit.

The levies are
- $60 School Fund
- $50 Library Fund (Tax deductible)
- $20 P&C Fundraising Levy – second child $15, 3rd or more $10

(so we’re not constantly sending raffle tickets, Chocolate drives etc home).

Our Beginning Year Assembly will be held on Friday 10th February starting with a free BBQ put on by your P&C Association. The BBQ starts at 5.45pm and then the formal part of the Assembly starts at 6.20pm. All students new to our School this year are formally introduced to everyone. The Year 7 student leaders are also introduced. Representatives from each class present a short overview of some of the work they will be covering during the year. Your child is required to introduce you to their teacher. Children are to wear school uniform.

There are pre printed name tags for all parents so you can get to know each other, especially when the requests for sleepovers start rolling in.

Food is free; drinks are for sale before and after the Assembly. Nothing at all is available during the actual Assembly, the tuckshop will be closed.

A caring family school...

WHAT IS COLOUR DAY?

Colour Day is Beechmont Speak for Non Uniform Day. Colour Day is held on the 1st Wednesday of each month and the last day of each term.
To come in ‘non uniform’ costs 50c each time or $5 for the year. An envelope is attached to today’s newsletter for you to put the $5 in & send back in the children’s Communication Folders.
Children must remember that sun safe clothes must be worn, no strappy tops and bare midriffs.
Sports shoes must also be available so sport, if planned, can be safely played.

AUSTRALIA DAY THIS FRIDAY AS WELL!

We are celebrating Australia Day here at School this Friday 27th January. Children are encouraged to come along dressed as their favourite Australian or dressed as something Australian.
There will also be a special meal / Sausage sizzle available on Friday,

Sausage on bread $2.00
Lamington $1.00
Popper $1.50
Chocolate or strawberry milk $2.00
Bottle of water $1.20

SENIOR & JUNIOR BAND

Senior Band rehearsals will be held at 7.45am each Wednesday morning. Children need to be punctual and to put in the practice required so the Band’s performances are up to the standard we expect from students who are part of our Senior Band.
Senior Band / Instrumental Music provide the children with remarkable opportunities and give their very best to this additional chance they have to extend themselves.
We have a number of instruments available for students to learn, a full list will be published next week. Any child in Year 5, 6 & 7 who would like to learn an instrument need to talk to Mr Clyde on Wednesday.
We are looking at the possibility of starting a strings program and students in Year 3 to 7 will be able to join this program.
Junior Band rehearsal time is yet to be finalised.

P + C AGM

Our Parents and Citizen’s Association Annual General Meeting will be held on Wednesday 15th February, 7pm at the School. Please make sure that you look at the coloured pieces of paper attached to our newsletter, especially the blue page and return by Friday 02nd February. Thank You.

TUCK SHOP

Tuckshop will be opening this year every Wednesday and Friday. A menu is attached for you to put on your fridge. If it does get misplaced, it is on our website, go to P&C (on the left hand side) then click on the Tuck-shop tab and there you can see the new menu for 2012.
• Tuckshop starts this year on Wednesday 01 Feb.
• This Friday 27 January is a Sausage Sizzle only.
HATS

School Hats are a part of our School uniform policy approved by the P&C and Staff. All children are required to wear a School Hat, not a ‘street hat’.

If children wear a non School hat then their play will be restricted to the Covered Area and not the outside areas.

Hats are the same as School shirts, shorts and dresses. They are expected to be worn each day. Please make sure your child has the appropriate uniform each day.

IS YOUR CHILD IS ON THE BUS?

If your child travels on any of the School buses then it is really important that you come to the Bus Meeting at the ‘Hall on Graceleigh’ on Wednesday 22nd February starting at 7.30pm.

There is generally only 1 bus meeting a year unless issues arise that need all parents input.

So please make the effort to come along to the bus meeting so that any issues you might have can be openly discussed.

ARE YOU A TECH-HEAD OR A WANNABE?

Are you experienced/ interested in online learning?

We have an opportunity for a couple of parents/ community members to work along side our students in an inter-school Virtual Classroom.

Participants connect using video-conferencing technology and learn skills such as animation, photo-story/ movie-making and graphic design.

Adult volunteers are needed to support each of the students as they complete the course, which runs for 20 weeks. Sessions will run on Monday & Wednesday mornings.

If you are available for 2 hours per week & are interested in becoming involved, please contact David Murphy for more details.

CAN YOU HELP OUT?

RAINBOW READING

Our School receives some funding from Education Queensland for our Teacher Aides. Our School purchases additional Teacher Aide hours each year, but it isn’t enough to run our Rainbow Reading Program. Our Rainbow Reading program is a vital element of our Literacy Program. Rainbow Reading has shown to improve children’s reading ability provided the children stick with it and approach the program with a positive attitude.

What is involved is supervising children listening to CD’s a number of times, and then testing the children on their progress. All the resources are provided.

We need a person or a couple of people during 1st Session 8.45am to 10.40am and then 11.25am to 12.50pm. There are usually only 6 children in each group and the program operates Monday to Thursday.

Please give David a call, send an email to admin@beechmontss.eq.edu.au or fill out the form on the blue attachment to today’s newsletter if you can help out any time with this proven improvement program.

2012— WHAT WILL IT COST ME?

Art, Technology and Stationery Charge (Prep – Yr 7) $60.00 per child.

This is a contribution towards the cost of basic stationery items (Prep – Year 3) or additional stationery items as required (Year 4 – Year 7). It also includes consumable art and computer materials used by students throughout the year. The payment for a Raw Art lesson, an Arts Council performance, an Author visit & a ‘physical activity’ has been incorporated to reduce the constant demands on parents to pay for activities during the year. A receipt will be issued on payment.

Payment method: Cash, EFTPOS or cheque payable to Beechmont State School.

Library Fund $50.00 per family

This is an annual contribution to maintaining the school’s library resource centre. This is a tax deductible contribution and it allows the purchase of books and access to computer technology in the library. A receipt will be issued on payment.

Payment method: Cash, EFTPOS or cheque payable to Beechmont State School.

P & C Fundraising

$20.00 ~ 1st child, $15 2nd ~ child, $10 for subsequent children.

This annual contribution reduces the need for excessive fundraising campaigns throughout the year. The Parents and Citizens Association generously supports the school in many forms.

Some examples include: purchasing new computer equipment, reading books, sports equipment. All children in the school benefit from the P&C support, which is only possible by some fundraising. The P&C also provides insurance to cover volunteers and events held at the school and this alone is a very significant cost. A receipt will be issued on payment.

Payment method: Cash, EFTPOS or cheque payable to Beechmont P & C Association

PAYMENT OPTIONS

Payment by instalments is welcome to help ease the financial burden at the beginning of the year.

If you do not intend paying the voluntary contributions, please discuss alternatives with David.
If you do not wish to participate in the voluntary contribution of $50.00 then you can purchase the following:

**Art, Technology and Stationery**
- 3 additional reams of A4 Photocopy paper
- Crepe paper 500mmw x 2.4 (1 each of Orange, Scarlet, purple & black)
- Student acrylic paint (either Red, Blue, Yellow, White) – 2 litre container
- Artist Brush Flat Size 6 Box of 12
- Cardboard 510 x 640 12 sheets assorted colours
- 3 x Raw Art or similar lessons
- Entry for University of NSW Maths competition (Years 4-7 only)
- Colouring pencils assorted colours Set of 12 x 3 packets (Prep – Yr 3 only)
- Mechanical propelling type crayons Set of 12 x 2 packets (Prep – Yr 3 only)
- Glue Stick 40gm UHU x 4
- HB Pencil x 40
- Scissors safety x 1

**LIBRARY AND LIBRARY BAGS**

We have School Library bags of a very good quality available for sale for $9.50. These bags keep our Library books away from the squashed bananas at the bottom of the School Bag! You don’t have to buy a bag but they are a very good investment to protect our precious Library books.

**THANK YOU**

- Janine Van B, and Wendy Blunt for your help on Uniform and Book Selling Days.
- Kathleen Callister for voluntarily typing the Newsletter again last year and for the last 20 years.
- Sue Denning for putting the newsletter together all of last year.

**WORKING BEE**

My very sincere thanks go to Michael Trikilis, Patrick, Sunasia and Wishy Stapleton, Joy and Kanoa Carter-Stampton, Kim, Riley and Jorja Sami, Kathleen, Bethany and Levi Boland, Maddie Cvelbar, for your help with our working bee. Your time and wonderful efforts are truly appreciated.

**COMMUNICATION FOLDERS**

Every child has a Home / School Communication Folder. If a child is bringing home a note from your child’s teacher, the weekly school newsletter, a special note, then it will be in the Communication Folder.

If you are returning notes to School from the School Newsletter, then put them in the Communication Folder and the children can match these up to the copies of notices on the ‘Post Office’ outside the Office. Please don’t put these in envelopes, just the note so children can ‘match up’ the returned note with a sample we put on the ‘Post Office’.

**WHAT ARE ALL THESE COLOURED PIECES OF PAPER ON THE NEWSLETTER?**

- **YELLOW PAPER** – This is the enrolment for After School Care (Mountain Mates) & the Term 1 Program. **Return by Friday 03rd February**
- **PINK PAPER** – General Permission Form covering a range of topics. **Return by Friday 03rd February**
- **ENVELOPE** – If you put $5 in this envelope then your child will have paid for Colour Days for the year. **Return by Wednesday 01st February**
- **BLUE PAPER** – P&C membership, Tuckshop Volunteer form, home email addresses so we can get hold of you other than phone and Rainbow Reading Assistance. **Return by Friday 03rd February**
- **GREEN PAPER** – Tuckshop Menu, also available on the website under P&C

**BEECHMONT SPEAK WHAT DOES IT MEAN?**

- P&C - Parents and Citizens Association
- EQ - Education Queensland
- EOYC - End of Year Concert and Awards Night
- AGM - Annual General Meeting
- NAIDOC - Aboriginal & Torres Strait Islander Week
- STLaN - Support Teacher Literacy & Numeracy
- TAEA - Teacher Advisor Education Adjustment
- AVT - Advisory Visiting Teacher
- SET - Special Education Teacher
- TA - Teacher Aide
- Colour Day – Pay 50c to not wear School Uniform

**2011 END OF YEAR CONCERT + AWARDS NIGHT**

I am desperate for photos of our 2011 End of Year Concert and Awards Night. There are no photos on our website yet as we don’t have any photos here at School over the holidays.

Please, if you have any photos, I’d love to get a copy so our 1st End of Year Concert and Awards Night in the ‘Hall on Graceleigh’ doesn’t just fade away.

If you need a disc, just yell and we’ll send one home.
**HAVING TROUBLE GETTING THE REQUIRED BOOKS FOR YOUR CHILD?**

We do have some spare book packs left if you haven’t been able to get all the required books. We have 2 x Year 3 packs, 1 Year 4, 1 Year 6, and a Year 7 pack.

The text books we have left are, Go Maths Year 3 x 2, iMaths books Year 4, 6 & Year 7. Grammar through text types for Year 1, 2, 3 x2 & 4.

These will be sold on a 1st in 1st served basis. The Book lists are on the website so you can see the cost of these items.

Welcome to Mountain Mates, your Before School, After School and Vacation Care specialists.

Welcome everyone, and what a great year we have planned here at Mountain Mates. For those of you who have been here before, we have some new and exciting ideas planned for you. For those of you who haven’t, we can’t wait to meet you!

We would like to welcome Clare to our team. Clare will be working Thursdays and Fridays.

Also a huge thanks to Celeste, who helped us out over the Vacation Care period.

As of the 1st January this year a few changes are taking place in the childcare industry. We have changed over to the National Quality Framework. We will keep you posted with changes that may occur. One of the great changes were that we are able to accept children who are starting PREP this year into Vacation Care from the 1st of January and we were lucky enough to have a couple of new little boys - Jhett & Austin.

Welcome to Mountain Mates boys.

---

Attached to this weeks newsletter on our beautiful bright yellow paper is a 2012 enrolment form. If your details have not changed since last year then please indicate that on the top of the form and we will attach it to last years form.

Also we have Term 1’s Skills program. These are the activities we will be offering on specific days of the week. Just cut off the Booking Form, return to either us or the school office and we can book your child/ren in. Also note that we are offering a homework club and trips to the Scenic Rim Mobile library.

Don’t forget our Before School care Service. Opening at 6.30am every weekday morning and offering a wholesome cooked breakfast, diverse activities as well as accompanying your child/ren to class at 8.30am. All for just $9 permanent and $10 casual.

We would like to thank the children who came to Vacation Care for their excellent behaviour and joy they brought with them. We all had a terrific time, topped off with a great day at White Water World.

Hope you all have a fantastic AUSTRALIA DAY and we look forward to the year ahead.

From the Kim and the Mountain Mates Crew.

**NEWS FROM THE TEACHERS**

**PREP NEWS**

Hi everyone

Welcome back to the first week of school. I hope everyone had a lovely refreshing holiday. This week will be a very tiring week for the preps as they find it quite a different experience. Even with a day off on Thursday for Australia Day do not be surprised if they become a little teary and exhausted as the week progresses.

As most of you are aware I will be on maternity leave from term 2 as I am expecting my 4th child in May.
Please feel free to let me know of any problems or questions you or your child may have over the course of the term. I am usually available most afternoons or you can email me on tevan27@eq.edu.au. Have a good week,
Warm regards,
Tania Evans. tevan27@eq.edu.au

YEAR 1/2 CLASS

Welcome to 2012. It has been lovely getting to know the children and setting up our class routines. This week we are learning about Australia Day, establishing class routines, formulating rules for a happy, productive classroom and conducting diagnostic tests. The introduction of the National Curriculum and the Department’s ‘Curriculum Into the Classroom’ will be impacting on everything we do this year and we need to be prepared for a busy and challenging year. Homework will start in Week 4 following the Beginning Year Assembly on Friday, 2nd February at which I am both looking forward to meeting you all and to sharing with you some of the curriculum changes and expectations facing our children this year.

This week we are looking at many aspects of Australia, including a nature walk to gather leaves and flowers. In case of rain I am asking any parents with a good supply of gum leaves( needed for art), native flowers etc. if they wouldn’t mind sending some in to school just in case!

If there is anything you wish to discuss you are welcome to contact me on 55459100 or kpryo8@eq.edu.au
Wishing you all a good week,
Kerry Pryor. kpryo8@eq.edu.au

YEAR 2/3 CLASS

Welcome back! If you ever have any concerns or questions please feel free to phone the school or contact me via email: dathe1@eq.edu.au. I arrive at school each morning at around 8.15 am and stay back on Monday, Tuesday and Friday, so these are good times to catch me if you want to meet in person. Unfortunately, due to my daughter’s child care commitments, I always leave right at 3.00 pm on Wednesdays and Thursdays.

Homework and daily readers will recommence in week two. Also, more information about our normal classroom procedures and expectations will be included in next week’s newsletter.
Have a good week, Demelza dathe1@eq.edu.au

YEAR 3/4 CLASS

Welcome to the 2012 school year. I am looking forward to working with the Year 3 and 4 children this year. This year we have 6 Year 3 children and 19 Year 4 children in the class. We are located in the Tasmania block in the Queenstown classroom.

The year promises to be a very full and busy one with a wide range of activities occurring both in the classroom and in the school. We are continuing to implement the new Australian Curriculum and this has meant changes in the way we approach many of the subject areas within the school. It has become clear that student attendance at school is vital so that children do not fall behind in any of their work.

Homework will begin in Week 2 of this term. Please check children’s homework books for information on the homework procedures beginning next Monday. Weekly information on homework as well as general information on our classroom will be placed on the school website each week beginning in Week 2 of this term. Please check the website for updates on classroom activities.

Please feel free to contact me at school if you have any questions about your child’s schoolwork or progress. I am usually at school by 7:30am if you wish to phone or send an E-Mail to dalbr1@eq.edu.au
Have a great week.
Regards, Dan Albright. dalbr1@eq.edu.au

YEAR 5/6 CLASS

Welcome back to 2012. We hope you have had a relaxing holiday and are ready for another exciting year.

This year Joyce Boura and I will be teaching the year 5/6 class. Joyce will be here on Mondays and I will be here Tuesday to Friday.

Homework will commence in week two of this term and will be handed out on Wednesdays and due in on Thursdays. Please ensure you have read the homework procedure as well as the behaviour management notes sent home with your child on the first day back.

Here’s to a great term. Katie and Joyce kmann38@eq.edu.au jbour96@eq.edu.au

YEAR 6/7 NEWS

Welcome to the Year 6/7 class for 2012. Tanya Stanley will be teaching Monday, Tuesday & Wednesday, while David Murphy will be teaching on Thursday & Friday.

This week there will be a number of tests the children will have to complete. These are nothing for the children to worry about, it is just a lot of Pre-tests, so that you, as well as us can see the progress of the children over the course of the year. In education speak, it is said to be so we can see, ‘distance travelled’ over the year. It is really important to have a starting point, so that we can let you know of your child’s progress throughout the year. All we ask is
that the children try their hardest & don’t get worried or give up.

The children have homework this week to complete, if you do not understand the terminology for homework, please look in your child’s homework books as there is an information sheet explaining what is needed with a Blind Sort, Speed Sort etc. A high standard is expected with the children’s weekly homework with neatness and presentation as well as the quality of their sentences. Sentences are expected to be complex sentences using adjectives, adverbs, clauses as this is not just a case of writing sentences, it is an important part of children improving their writing, so when they take part in the NAPLAN tests, they have been using their skills every single day, not just when they are completing a piece of writing, and will produce a better quality of writing.

There are already some Day 1 photos on the website, go and have a look.

Year 7
This year will be an amazing year in the life of your child in Year 7, their final year of Primary School. A big step is looming for them next year & we hope to give them a range of skills that will really assist this step into High School.

Leadership Camp is next week. A bus will transport the children & bring them home. The children should have brought home 2 pieces of paper yesterday, one is the ‘what to bring’ list & the other is a general note. If these have been misplaced then they are on the website for you, under the Year 7 page and click on the Leadership Camp button.

A significant amount of communication in Year 7 happens by email, so please email David so your email address can be registered. It is important that you are kept in the loop.

A lot happens this year & it will go really fast, so please join us as often as you can for functions & events, as very soon, these precious children will be changed as they grow & mature over the year and be off to High School very shortly.

Year 6
The Year 6 children next week, will be split between Mrs Mann’s/Mrs Boura’s class and Mr Albright’s class while we are with the Year 7’s on Leadership Camp. They will be working with those classes Monday until Thursday, & we’ll be back as a whole class on Friday. The children will have homework next week even though we will not be here, this will need to be handed in on Friday as usual.

On Fridays, when the Year 7’s are completing some Leadership training, the Year 6’s will be continuing with their academic work in an independent way, usually with online activities.

If you have any questions please do not hesitate to contact us, email is usually a better way as we can’t always answer a phone call or meet face to face especially if we are teaching.

Have a great week
Tanya Stanley tstan15@eq.edu.au &
David Murphy dmurp19@eq.edu.au

The Australian Curriculum sets out the core knowledge, understanding, skills and general capabilities that are important for all Australian students. It identifies what all young people should learn as they progress through schooling, and is the foundation for high quality teaching to meet the needs of all Australian students.

Students across Australia will have a consistent curriculum in English, mathematics, science, (and history in 2013), and these will be the four core learning areas every young Australian will study during their education from Prep to Year 10.

In addition to these four learning areas, schools will have the flexibility to offer a range of other subjects, so that education is tailored to the needs of individual students and each school community.

Within all learning areas, there will be a focus on developing seven general capabilities of students. The capabilities include skills, behaviours and dispositions that students need to develop and apply to content knowledge, and they will help them become successful learners, confident and creative individuals, and active and informed citizens. Throughout their schooling, students will develop and use these capabilities in their learning across the curriculum, in co-curricular programs, and in their lives outside school.

Incorporated within each of the four key subjects and the seven General capabilities, are three cross-curriculum priorities. Students will learn about Aboriginal and Torres Strait Islander Histories and Cultures, Asia and Australia’s engagement with Asia, and Sustainability.
You can help the School Band by sending your uncrushed aluminium cans into school.

Norco Milk Community Caps help our school. Please save them for us and bring them to the office.

SCHOOL FUNDRAISER
A Recycle container is in the School Administration foyer for you to leave your old printer cartridges; both ink jet and laser cartridges are taken Canon, HP, Lexmark and Epson only.

Mem Fox talks about reading to children
Register now for this free event with world-renowned children’s author Mem Fox and an expert literacy panel, as part of the National Year of Reading launch.

Half of a child’s brain growth occurs between birth and age four, which makes this a crucial time for parents, carers and educators to foster a love of writing, illustrations and stories with children.
