PHOTOS AT SCHOOL

I would like to remind all children that it is not permissible to take photos at school and at school functions. There are rules which apply in this area that must be followed. I fully understand that it is great to take photos to remind us all of the good things that happen at school. Parents sign a form to give permission for their children to be photographed and we have to respect and follow their instructions.

It would be appreciated if you could remind your children about this and please feel free to call me if you need further clarification. Thank you.

DISCO

The disco was once again a great success. We would like to thank Mr Murphy for giving up his time to give our children a really enjoyable night, Naomi Wyllie who donated prizes for the children and the parents and P & C who assisted on the night.

WORKING BEE

There will be another working Bee this Saturday the 21 June to continue with the preparation of the area in the front and side of the Administration Building. We will also be looking at pruning some trees that are overhanging the guttering around the school.

We would appreciate any time that you could give from 8.30am to 2pm.

ATHLETICS CARNIVAL

This year’s Athletic Carnival will be held this week on Thursday and Friday. The field events will be held on Thursday and the track events on Friday. The events will commence at 9:00am. If there are any parents who can assist on the day it would be greatly appreciated.

NEWS FROM THE TEACHERS

YEAR 1/2 CLASS

Welcome to children’s folders today with regard to the final arrangements for the excursion to Brisbane on Wednesday of next week. Please make sure you look for it and familiarise yourself with the details. Athletics Carnival is on Thursday and Friday on Graceleigh Park and 1_2 are raring to go. They have practised their running, jumping and throwing wholeheartedly and now it’s time to enjoy the results. If your girls have bike pants at home they are welcome to wear them to compete in their events; sometimes those shorts fllop and knock over the bar when jumping. Remember, as per the cross country, to dress the children in layers that can be peeled off when they get hot.

There will be no homework this week as we wind down for the holidays. Thank you for supporting their homework so beautifully this semester; your efforts are crucial to their development and clear to see in their assessment results. I must congratulate the following children on their 300 Sight Words: Kyle Harper (from the very start!), Kobi Marshall, Rylan Christiansen, Austin Knowles, Jayden Clausen, Jasper Harris, Leila Sheiles and Josh Currie.
If there is anything you wish to discuss you are welcome to contact me on 55459100 or kpryo8@eq.edu.au

Wishing you all a good second last week,
Kerry Pryor

YEAR 4/5 CLASS

Homework for the last fortnight of the term was sent home today. This will not be our normal homework grid. The children will be working on a small project related to our Space topic in Science. Please see the homework sheet that was sent home for details. Children can use the computers at school in their free time to research the topic if necessary. Spelling words were also sent home today. There will be no spelling list next week. This homework task is due next Thursday 26-06-14.

Our Science topic for the next two weeks is about outer space. We will explore the Solar System, collect data on the planets, investigate the contributions made to our knowledge of space and determine the scientific advancements that have come from the space program. The children have constructed scale drawings of the planets to compare their sizes.

Have a good week. Regards, Dan Albright
