Welcome to 2015 and the final year of school for half of our class.

This year there will be two teachers taking the 5/6 class. For semester one (terms one and two) the classroom teacher will be myself, Miss Noakes, and for semester two (terms three and four) the teacher will be Ms Stanley.

There is a lot going on in the first few weeks of the school year! We are refreshing our understanding of the school routines and learning lots of new, exciting information.

Student’s are doing a great job of following the school motto as well as the classroom expectations and remembering to always use manners.

I am very much looking forward to this semester and the learning adventures we will go on in 5/6.

Homework

Homework will be handed out on a Monday and is due back on Friday.

The homework is based on the Words Their Way program and it is intended to further develop their understanding of the word sort for the week.

There is also a multiplication and division focus every week. Students will be tested on this, as well as the Words Their Way sort for the week, every Friday.

I am looking forward to getting to know you and your child this semester!

Kind regards, Courtenay Noakes
